Basic Spanish Made Simple

Instructor: Mrs. Vilma Gomez

The Miller Branch Library
Invites you to come as **ONE** or as a **FAMILY**.

Have you ever felt like...

...you can't learn a foreign language because you took a Spanish class or two in Junior High or High School, and when you were done you couldn't remember half of what you learned?

...you must have a learning disability when it comes to learning Spanish because you have bought books, other programs, and even some songs in Spanish and you still can't carry on a fluent conversation?

...you just want to learn to become conversational in Spanish you are ready to start all over and learn the basics?

If so... You're Not Alone! It's not you that has a learning disability! It was the method that was being used to teach you!
